**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer who relies on a local Internet provider (for nearly 15 years) to deliver my dsl connection. I chose a local provider to support a local business who is one of the largest employers in my community. Furthermore, having a local connection mean fast, reliable service. I am a firm believer in keeping competition in this marketplace for consumers to decide on services which meet their individual needs.
